Favorite Cleveland Treats

Evie

They are a woman-owned business that has a variety of unique treats with geeky and cult classic themes. Fear's also regularly features other local Cleveland makers and artists. My personal favorite is their dark chocolate covered sponge candy.

Kim

Nick

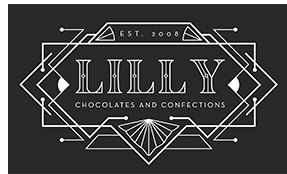

All of their chocolate is amazing, but their dark chocolate dipped fruit is the best!

Becky

Most definitely East Coast Custard turtle sundae. Best treat on the planet!!!

Nicole

Rachel

Hands-down the most delicious, creative, and beautiful donuts in town. And how can you not love the idea of blending beer and donuts?!

Michelle

Cleveland + baseball + ice cream? Count me in! Sweet Moses' Bob Feller sundae, especially with their indulgent salted French caramel ice cream is to die for!

Christian

Bob

Mitchell's Mike and Pete are community-oriented, source local whenever possible, are committed to environmental sustainability, and their ice cream is the best around.

Andrew

My favorite treat is the Jennifer Cookie.

Lenora

100% Gluten Free!

Marianne

Their chocolate chip cookies are the best!
