Civic Leadership Institute (CLI) provides a behind-the-scenes look at the past, the present, and the future of our community.

CLI will connect you to the people, places, and projects moving Cleveland forward and will provide you with a strong foundation for professional and civic advancement.

Through CLI, you'll learn about community issues from top local leaders. You'll also gain a greater understanding of the connectedness of community assets, organizations and issues, and how they impact the local public and private landscapes.

Visit Civic Leadership Institute online or contact Andrew Singer to learn more and register.

“**There are some major struggles here in Cleveland (more than I was truly aware of) but also some very impressive, passionate, smart leaders helping to change that. My hope is I find my place to do my part in improving some of the City’s struggles. CLI provided me with a plethora of knowledge and resources to help find that place.”**
