## LOOK UP TO CLEVELAND SUMMER

*“Previous to this experience, I knew nothing about Cleveland. Now, I’m familiar with multiple different aspects of government and nonprofits.”*

*LUTC 2023 Summer Participant*

Look Up To Cleveland (LUTC) Summer is a one-week experience that connects high school students to Cleveland and the people, places, and projects moving it forward. They hone leadership and collaboration skills and discover ways to contribute to their community. They develop an appreciation and awareness of Cleveland by meeting with local leaders and visiting key organizations.
