"I enjoyed making friends and the service was fun and impactful."

Reach Out to Cleveland 2023 Participant

Reach Out To Cleveland (Reach Out) engages high school students in key community issues and leadership through service. It's an opportunity to volunteer for causes they care about and to have a meaningful impact on the community. It's also a chance to accumulate up to 16 hours of community service. These experiences broaden their awareness of our region's issues and inspire them to step up and make a difference.
